

West Virginia University Airplane Reservation Form

1. General business purpose for trip: WVU presentation at the Coalition for National Science Funding (CNSF) and Capitol Hill meetings with WV Congressional Delegation
2. Department contact/ phone number: Amy 3-8763
3. Destination airport (if known): Dulles
4. Destination address: 23950 Wind Sock Drive, Suite 2000, Dulles, VA 20166

Leg:	Trip date:	Departure City:	Departure Time:	Arrival City:
1	May 16, 2017	Morgantown	11:00 AM	Dulles
2	May 16, 2017	Dulles	9:15 PM	Morgantown

	Name	Cell number	Department	VP Division	Business Justification	Code
1	Mary Ditmore	[REDACTED]	Research Office	Research Office	Presentation at CNSF and visits with WV Congressional Delegation	3
2	Sarah Wheeler	[REDACTED]	Research Office	Research Office	Coordinating Dr. Sharma's participation in the CNSF event and Congressional meetings with the WV Delegation	3
3	Shikha Sharma	[REDACTED]	Geology & Geography	Research Office	Shikha Sharma, Associate Professor/Associate Chair of Geology, will be representing WVU with her Marcellus Shale research titled "The Shale Tales" at the CNSF annual Hill Reception. Dr. Sharma has conducted numerous studies in the area of Shale Gas research and is the director of the WVU Stable Isotope Laboratory, which was predominantly funded by NSF. In addition to the CNSF event, we will be meeting with the Congressional office to share the background and developments related to Shale Gas research out of Dr. Sharma's lab.	3
4	Dr. Mark Culp	[REDACTED]	Dept. of Statistics	Research Office	Mark Culp, Associate Professor in the Department of Statistics, was chosen by the American Statistical Association to represent them by showcasing the NSF-funded research he has conducted while here at WVU. Mark's research is titled "Machine Learning Solutions to Big Data Problems". This research focuses on advancing the analytical methods of accessing/synthesizing "big data" that come from a variety of sources. In addition to the CNSF event, Dr. M. Culp will be meeting with the WV Congressional Delegation to share the background and developments related to Dr. Culp's NSF-funded data research.	3
5	Dr. Stacey Culp	[REDACTED]	Dept. of Statistics	Research Office	Stacey Culp, Assistant Professor in the Department of Statistics, was asked to represent, along with Dr. M. Culp, the American Statistical Association by showcasing the additional applications and leveraged projects that resulted from Dr. M. Culp's NSF-funded "big data" research. Stacey will be providing additional context to the applications and research possibilities that have resulted from the initial NSF-funding. She will also be making the WV Congressional Delegation meetings to	3

					showcase WVU's work in the area of Big Data.
