West Virginia University Airplane Reservation Form

General business purpose for trip: Columbus, OH- to attend the Solis board meeting to further the
mission at RNI to help incorporate new technology for pain management. Dinner in Charleston as a
panel member for the WV Parkinson's Symposium dinner.

The Columbus event is from 1pm to 5pm and the Charleston event is from 6pm to 8pm. Both events are critical to furthering the mission of the RNI and the timing does not allow Dr. Rezai to travel by car and be at both events. Dr. Rezai's expertise in the area of pain management is important to the Solis meeting and WV and globally. His expertise as a panelist will further the WVU RNI statewide presence at the WV Parkinson's Symposium. Dr. Rezai will overnight in Charleston and travel back to Morgantown by car.
